cra'ster

2024 COLLECTION

Intelligent Design
Exceptional Experiences

Craster's mission is to create beautiful, intelligently-designed products that surprise and delight, enabling hotels, restaurants and event spaces to deliver exceptional customer experiences in the current dynamic hospitality environment.

"Quality of experience has always been the currency of hospitality. At Craster, we want every moment a guest has in the company of our material to be full of pleasure and authenticity.

As I reflect on Craster's three decades of innovation, I am often humbled by voices of hospitality leaders who remark on the trays they still use and their favourite Craster pieces from bygone collections. In an increasingly ecologically-minded world, I find solace in knowing that we have a long lifespan, both in the industry's hearts and in their kitchens.

I want to thank our clients and partners, longstanding and new, for their collaboration. Our shared purpose is to create beautiful, intelligent, systems-led solutions that enable the world's best hospitality brands to deliver exceptional and authentic guest experiences. It has been my great pleasure to work alongside our hospitality customers and our exceptional design team to create the Craster 2024 collection."

Craster Design Studio

Craster Design Studio is a team of experienced industrial and interior designers and developers. We focus on product creation and space curation for the hospitality industry.

The studio is borne out of collaborations with hospitality professionals, operators and interior architects with the intent to create innovative and intelligent solutions. We derive our inspiration from the collaboration itself, the quality of materials, best practice design methodologies and achieving functional excellence.

COMBINING CLIENT COLLABORATION & BESPOKE MANUFACTURING

In the fast-evolving landscape of premium hospitality, the best brands compete to deliver truly unique guest experiences. We help our clients to navigate a dynamic hospitality market and differentiate themselves by creating products that deliver experiential moments that stand out.

Contact your Craster representative to discover more about bespoke product creation.

Flow

Flow is a versatile, modular display system crafted around a gastronorm footprint, offering solutions for ambient, hot and cold cuisine presentation.

Flow consists of stackable trays, trolleys, stands, protective lids and liners and heating/cooling units available in white-washed or black lacquered ash, natural oak or natural walnut. Plinth tops are available in minimalist clear or smoked grey glass and luxurious white, green or grey marble. Frames come in stainless or black powdercoated steel.

The Flow Range's interchangeable and stackable components offer versatility to tailor your display and allow for efficient replenishment between front and back-of-house, with new innovations regularly being added. Each stackable tray is ideal as part of a large cuisine presentation or can be selected for hygienic, discrete single-serve, offering unprecedented sustainability across dining options.
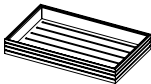

Watch the Video
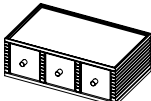

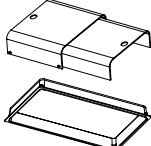

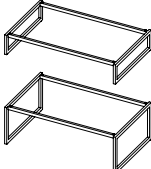

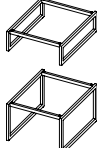

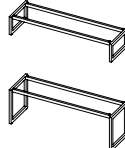

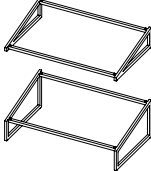

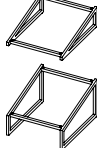

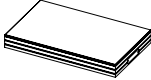

How to create your buffet with Flow

The Flow Range is crafted around a gastronorm footprint, enabling you to create a custom display.

To build a display, simply select a gastronorm size, a frame (flat or angled) and a top (deep or shallow trays or flat plinths).

Heating and cooling units, label holders, sliding lids and lid liners allow for ambient, hot and cold services. Our Flow Range comes in four different colours including white-washed, black lacquered, natural oak or natural walnut.

Gastronorm sizes

	1.1	1.2	1.4	2.4	3.9

Flow Bento System

Curate delightful dining experiences with the modular Stacking Bento Boxes for meal and drinks delivery without single use plastics. Stacking Bento Boxes consolidate entire cuisine presentations for covered carriage and service to Bali beds, party villas or poolside loungers. Flow trays are a sustainable solution, transferring easily from Bento arrangements to full buffet setups with frames, trolleys and stands. Individual components to the Stacking Bento Box kits can fit seamlessly into the Flow system. Bespoke Bento Box designs are also available upon request.

Flow Bento System

Mix with lids and drop-in internal dividers to craft your Bento solution using existing Flow 1.1 and 1.2 Gastronorm trays.

Flow Trolleys

The Flow Trolley has been specified by the Craster design team to offer complete display flexibility. With multiple extending shelves and folding platforms, each trolley offers an adaptable solution for both single and double-sided service for action stations or grab-and-go display.

Flow's interchangeable and stackable components offer versatility to tailor gastronomic display and allow for efficient replenishment between front and back-of-house.

Flow Hot and Cold Trolleys

The Flow Hot and Cold Trolley delivers dual cooling and heating functionality in one compact, versatile display unit, enabling functional flexibility from chilled breakfast juice stations to heated brunch action stations and frosted grab-and-go cuisine presentation. Specified by the Craster design team to withstand temperature changes, the food-safe, durable top offers a wide temperature range from -5°C (23°F) to 140°C (284°F). The trolley features multiple extending shelves, giving added storage for multi-height display with double-sided service.

Fare Trolley System

A configurable F&B distribution and display system, the new Fare Trolley Range offers operational efficiency across a property from morning to night.

Designed to a gastronorm footprint and with agility in mind, Fare's modular approach allows trolleys to be used in isolation or built out to larger stations using the drop-in bridge.

The contemporary metal frame complements a selection of shelf materials (hardwoods and HPLs), which are reversible and replaceable, extending the longevity of the product.

Additional accessories extend the functionality with speed rails to maximise surface area and panels to conceal lower and middle shelves available, allowing the system to spend as much time as possible front of house and respond to changing needs throughout the day.

Watch the Video

Fare Trolley System

The Fare Trolley collection offers multiple configuration options.

Select from solid timber or HPL options and extend presentation surfaces using the bridges, which fit between two trolleys on the short or long side.

Additional accessories with speed rails and pots maximise surface area and mesh panels provide flexible concealed display.

Stak Shelving Unit

Introducing Stak, the latest agile F&B furniture system from Craster. The innovative new system offers an ideal combination of F&B buffet and events furniture in a single system to reduce hospitality inventory across properties. Deliver agile luncheon buffets, mass catering, moveable grab-and-go displays and back bars within the Stak system.

Intelligently designed around the Gastronorm footprint, the Stak System shelves are crafted with discreet raised edges to secure trays from the Craster Flow range. The perimeter of each shelf grips two 1.1 or four 1.2 trays, with excellent locked fit for ease of transportation. Stak is engineered for easy assembly, with locking pins to angle and carry each shelf.

Developed with a rigid steel frame, shelves may be placed and angled at any height within the structure. Robust, discreet wheels enable back of house setup before movement to front of house in a single push.

Shelving units can be bridged together at any height to create large, continuous displays across interiors.

Contact Craster for additional information and to request bespoke accessories.
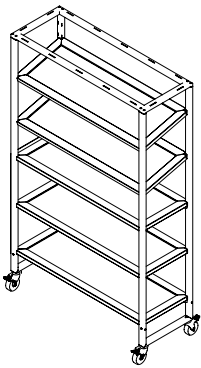

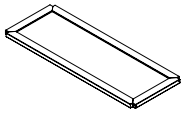

Stak Shelving Unit

Stak Shelving enables added agility to front of house displays with a unique, intuitive construction.

Each shelf within the frame can be angled or flat to offer dynamic presentation and storage surfaces.

Bridges connect shelving units to lengthen merchandising areas.

Wheels and cable management provide flexibility in the Stak system. Coverage panels and signage accessories available on request.

Tilt

Tilt is a unique, flexible display system that offers endless possibilities for creative gastronomic expression.

Comprised of multi-height cylindrical metal frames in stainless, black powdercoated steel or brass finished steel compatible with serving top solutions in a variety of materials, the Tilt Range enables creative display with elegance and poise.
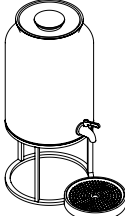

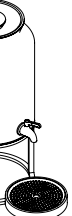

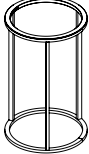

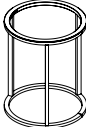

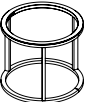

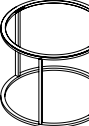

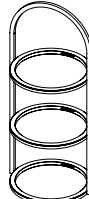

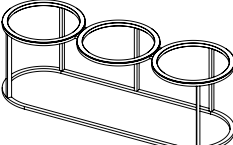

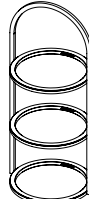

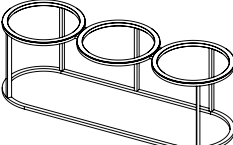

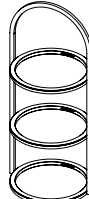

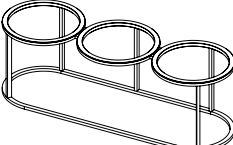

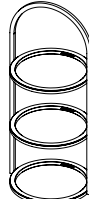

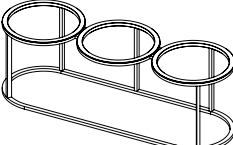

Tilt's interchangeable serving tops include bowls, extended plinths and juice dispensers, offering an elegant display service ready for quick changes between meals. Each component is also ideal for single-serve, with sleek salad bowls and luxurious marble plinths ideal for desserts.

Tilt Range

Tilt is a flexible system comprised of cylindrical metal frames compatible with serving top solutions for both wet and dry foods as part of a large display or in single-serve.

To build a custom display, select a frame height, then pick from bowls, plinths and juice dispensers made from luxurious marble, black glass, stainless steel or solid wood.

Tilt Black Glass Plinths

Designed to celebrate sophisticated gastronomy, these sleek, reflective plinths accentuate and reflect the cuisine display.

The lustrous dark surface sharply contrasts food textures, providing a blank canvas for unique cuisine curation.
Crafted from bonded Float glass, each plinth invisibly and securely locates onto the Tilt frame to create a minimailist, seamless display surface.

Designed to fit seamlessly with all Tilt frames, plinths can be tiered to create a multi-height display.

Tilt Drinks Service

With its elegant curves and simple, functional features, the ice-free Tilt Juice Dispenser is a perfect addition to any group setting, quenching guests' thirst with a seamless serving experience.

The innovative ice-free cooling system keeps 8 litres of liquid (2.1 Gallons) cool for up to 4 hours, ensuring seamless service across safely-timed guest visits, with an intelligently-designed drip tray locating easily onto the Tilt frame for enhanced stability and reduced spills.

Hand blown from soda lime glass, our carafes feature a tapered neck with angled top for pouring. Ideal for serving water or juices, the carafe can be used alone or combined with Flow Carafe Risers or Flow 2.4 Carafe Plinths to create a unique display for groups or alone for in-room or at-table dining. Add Carafe Corks to stop spills and cover drinks between services.

Tilt Glass Jars

Designed to fit with three different height Tilt frames, these three-litre jars are the perfect solution for elegant cereal or ice display. The turned walnut or oak lid can sit effortlessly on the edge of the jar for single-handed serving, adding a high end feel to a single-serve presentation or hygiene-conscious buffet.

Cut from solid walnut or oak, the Wooden Spoon completes the functional Tilt Jar set. Each Wooden Spoon is ergonomically designed for easy handling.

Tilt Large Collection

 Inspired by the Craster Tilt collection, the new Tilt Large range features an expanded footprint to accommodate larger serving sizes and presentation surfaces. Large frames feature a precision-fitted rubber gasket, which gently grips the surface of large Tilt pieces, allowing them to be used at multiple angles while offering poise at height.

Luxurious marbles and natural timbers offer exceptional display surfaces in this expanded footprint. Tilt Large Frames are available in Tall, Medium and Short.

Tilt Large Plinths operate on both Tilt Large and classic Tilt frame sizes. Tilt Extra Large Plinths operate only on Tilt Large frames.

Alto

Alto is a sleek display range that combines simplicity, beauty and informality.

Available in solid walnut, the collection comprises a range of multi-height risers and boards for unique and creative display.

Featuring a removable tripod base in black metal and chamfered edges, the Alto Range is perfect for informal presentations, from grab-and-go breakfast pastries to contemporary afternoon tea.

The signature Alto Buffet piece is a three tier cake stand, which can be used as a singular focus item or nested with other elements of the Alto Range to create a multi-height display.

The elegant black exterior of the complementary pots creating a striking contrast to conventional metal serving ware and are ideal for single-serve portions.

Alto Cake Stand, Bowl and Boards

Available in walnut, Alto offers flexible presentation with a range of plinths and boards with removable tripod bases
for multi-height display. A sleek collection designed to provide a competitively-priced solution for ambient food display, this
range is perfect for high tea presentation or grab-and-go.

Olive Wood Bowls

Our olive wood bowls have a special and vivid grain structure, making each piece unique.

Every bowl is shaped from a new piece of wood; despite our meticulous drying process, cracks can occasionally appear in the wood due to the specific nature of these natural products.

Background Marker Touch Up & Mineral Oil

Our pure mineral oil provides protection, retaining the wood's natural colour and character while prolonging the life of your board. The oil is clear, tasteless, odourless and food safe, making it ideal for use on wooden items including bowls, risers and utensils. It can also be used on slate or stone.

Mineral oil can be applied with a folded kitchen paper towel.

Wave Tray

Understated elegance complements the underlying innovation behind the Wave Tray. Designed with a robust non-slip rubber over moulding, the tray surface will never peel, meaning reduced replacements and a dishwasher safe, hard-performing finish.

The tray's miniature locating feet are intelligently engineered to allow for aeration when stacked, with no water build up or residue, enabling reduced maintenance and a consistent, high-quality experience.

Line Table

Line is a unique folding table solution at the fore of space design. The lightweight, hygienic tops and compact folding leg system combine to offer advances in the evolution of linenless table design.

Line Table pairs operational innovation in intuitive, single-person setup and hygienic surfaces with a residential, discreet aesthetic.

Watch the Video

Intuitive Set-Up

Intuitive locking system and ergonomic grip for seamless set-up, breakdown and changeover.
No tools required.

Wipe-Clean Hygiene

Each table features an intuitive locking system, with ergonomic grip for single-person seamless set-up, breakdown and change over. ISO 22196 compliant laminate tops offer wipe-clean ease.

Compact Storage

Legs collapse to 42mm (1.7 inches), with tops slotting underneath on the trolley for class-leading storage density back-of-house.

Line Table System

The Line Table System is available in two sizes – 1800mm and 1500mm – and in four different shapes – rectangular, classroom, trapezoid and half round – to create various configurations to suit any space requirement.

Line consists of five different elements: table tops, legs, modesty panels (optional), cable management (optional) and trolleys.

Also available in dimensions 1800 × 600 mm and 1500 × 600 mm.
Please contact your Craster representative for further information.

Line Cable Management

Line Table power units have been designed to fit discreetly beneath tables, with a subtle cable management sleeve to reduce trip hazards and unsightly wires. Equipped with male and female sockets, each unit can be daisy chained together, with magnetic clips provided to channel cables discreetly along table frames. Intelligently-designed USB A and C outlets for mobile and laptop charging may be toggled in and out and replaced without affecting adjacent sockets.

Available in North American, EU (Schuko), UK/IRL and Japanese sockets as standard.
Other regional sockets available upon request.

Link Table

Introducing the Link Table System, a sleek events and display table for the F&B and C&E space. Intelligently designed for intuitive setup, Link has been engineered for flexible configurations.
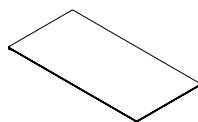

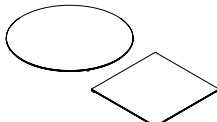

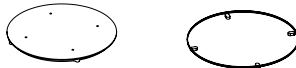

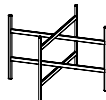

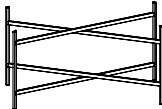

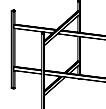

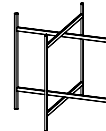

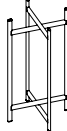

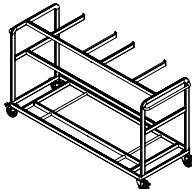

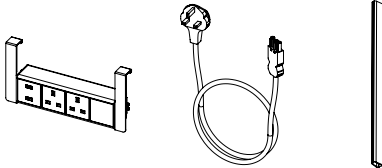

The Link range has been designed to complement our Line system for a seamless aesthetic across and between spaces. With a slender elliptical leg profile and central folding mechanism for easy storage, Link pairs with Line beautifully in front of house presentation and minimises back of house storage.

There are three table heights (1100, 900 and 740 mm) with options of toughened glass or HPL tops. New for 2024, the slimmer cocktail table footprint expands the Link range for flexible events spaces.

Link Table System

The innovative Link Table System blends front-of-house poise with back-of-house functionality in a beautiful concept. Available in three shapes - rectangular, round and square - Link tables can be combined with different height legs to create nesting arrangements.

Select a shape and material for the top and finish by choosing a leg height (short, medium, tall). New for 2024, the Link 600 series is an ideal cocktail table footprint. Note that 600 series tops and legs do not operate with other Link products.

Link Reef Edge Table Tops

A highly resistant innovation, the Reef table top edge ensures longevity in the aesthetic and operation of Conference and Events ranges. The protective Reef edge offers the perfect solution for frequent setup, breakdown and back-of-house storage. Combined with laminate tops, Reef edges provide an unparalleled ease of care.

Our other HPL finishes from Line are available for Rise & Link, dependant on order quantity.

Link Glass Table Tops

Our toughened glass tops are available in clear or grey glass.

Rise Table

The Rise Table System has been intelligently engineered to support a responsive, modular display that is both beautiful and effortlessly assembled.

Rise features a universal locator system allowing folding legs and table tops to be used in any combination. Legs are available in natural, white-washed and stained black oak, and stainless or black steel.
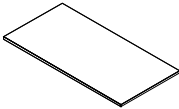

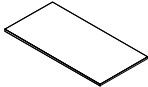

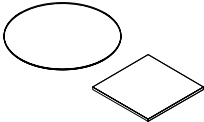

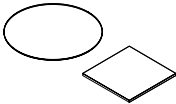

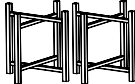

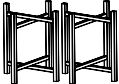

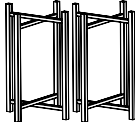

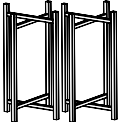

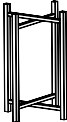

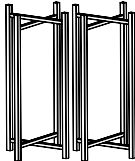

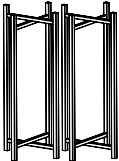

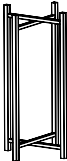

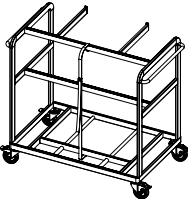

Square, circular and rectangular tops come in wipe-clean glass, antimicrobial HPL with hard-wearing Reef edge or oak veneer.

Rise Table System

Using a universal locating system, the Rise Table System allows you to mix and match any top or legs to create the perfect solution for your buffet.

Select a size series (800 or 700), then select a shape and material for the top and finish by choosing a leg height (short, medium, tall) and a leg finish (stained wenge, painted black ash, and stainless or black steel).

Rise Reef Edge Table Tops

The aesthetic and longevity of the Rise System is ensured by the hard-wearing Reef edge, which offers the perfect solution for frequent set-up, breakdown, and back-of-house storage. Combined with laminate tops, Reef edges offer wipe-clean ease.

Our other HPL finishes from Line are available for Rise & Link, dependant on order quantity.

Rise Veneer Table Tops

Formed of layers of oak veneer and stained to a dark wengé with solid hardwood edging, veneer table tops form an elegant solution for the Rise System.
